Re: Amendments to the Dunn Mine
Mining & Reclamation Plan
ACT/037/017

Dear Mr. Clark:

In response to your recent correspondence concerning changes in location of the access road and construction of a powder magazine structure. The Division does not, at this time, foresee any significant impacts.

The Division is planning a field inspection of the Dunn Mine in the near future and will review the proposed changes at that time.

Sincerely,

DIVISION OF OIL, GAS, AND MINING

JAMES W. SMITH, JR.
RECLAMATION SOILS SPECIALIST
